The Village is located at one of our most celebrated World Heritage Sites, namely THE CRADLE OF ALL HUMANKIND. **Be sure to see our other cultural tours to extend your tour and see where the birth of human civilisation exists.**

**The Village Gates** are the first site on arrival, bright with colourful markings painted and a true reflection of the diversity within our African Kingdoms. On Arrival we are greeted by songs of Joy and the Zulu guards perched high above the gates in their posts keeping watch over the village like an eagle ready to strike its prey.

**Like a Proud Lion...** our local guide will take you through the village showing you various customs and traditions within the various tribes. After your experience through the villages, we invite you to dine like a king and queen.

**The Feast...** is served within a traditional style Zulu Hut (Kraal). A delicious array of sights and smells fill the room where you welcome to serve up as much as you see fit. Vegetarian options are available. Why not taste some traditionally African beer (Umqombothi) and grab some traditional (nyama choma) or if you really brave some tripe made the traditional way. They also have various meat delicacies ranging from ostrich to crocodile.

**It is tradition to Dance...** and dance we shall. We will be spoilt with a full show of different cultural dances including zulu stick fighting, You may even be asked to join in on some of the fun. So be ready to strut your best moves.
